演講主題： “壩” 氣帝國主義？嘉南大圳水利工程的建設與回憶
Lecture Topic : Dam(ned) Imperialism? Building and Remembering
the Chianan Taishun Water Project

講者：菲力浦 博士

Speaker : Dr. Philip C. Brown

演講內容：日本殖民統治台灣時期所建設的水利工程不但受到實行民主制度後的台灣高度讚賞，而且不被認為是邪惡帝國主義下的建設。菲力浦教授將透過這場講座和大家一同來討論這項具有特殊歷史意義的工程。

Presentation Summary: Professor Brown's presentation examines an unusual Japanese colonial enterprise that has been remembered not as the epitome of imperialistic evil, but in highly laudatory terms, especially since democratization in Taiwan.

講者背景介紹：菲力浦博士為俄亥俄州立大學日本與東亞歷史系之教授。他是本年度傅爾布萊特獎學金的獲獎學者，於中央研究院台灣史研究所從事研究台灣在日本政府殖民統治下於1920年到1930年所建造的嘉南大圳水利工程。

Biography: Philip C. Brown is Professor of Japanese and East Asian History at The Ohio State University. He is a Fulbright Senior Scholar at the Institute of Taiwan History at the Academia Sinica. He is exploring the development of the Chianan water control project constructed between 1920 and 1930 under Japanese colonial rule and the ways it has been remembered in Taiwan over the years since its completion.
