

# AGSE 2009

Second International Summer School and Conference Applied Geoinformatics for Society and Environment

Participate in the **Summer School 2009** at **Stuttgart University of Applied Sciences**:

- ◆ Interdisciplinary, international forum for sharing knowledge about the application of Geoinformatics with focus on developing countries.
- ◆ Twofold and participative: Presentations from participants as well as professional multifaceted training and workshops about current topics in the fields of Geoinformatics, Photogrammetry, and Cartography.
- ◆ Social and cultural events.
- ◆ Funded by the German Academic Exchange Service (DAAD).

## Topics

- Environmental Issues, Sustainable Development, Millennium Development Goals
- Photogrammetry, Earth Observation Systems, Information Extraction
- GI Policy and Society, e-Government, Spatial Data Infrastructures, E-Cadastre
- Internet based Applications
- LIDAR Data Analysis
- GIS and Education
- Alumni Session: Experiences and Business Development
- Cartography and Geovisualisation, 3D Visualisation
- Open Source Solutions and Tools

## Contribution options

- Conference Participation
- Reviewed Paper and Presentation
- Oral Presentation
- Poster Presentation

## Planned Workshops

- Geospatial Visual Analytics
- Geo-Mashups in the Web 2.0 environment
- CityGML
- Acquisition of Spatial Data with Terrestrial, Airborne and Mobile Laserscanning
- Understanding Social Networking in international Contexts
- Setting up a WMS- / WFS-Server in 45 minutes
- GPS Data Collection & WebGIS Data Integration
- Open Source GIS and Tools

## Timeline

- Sunday, July 12, 2009: Alumni Arrival and Cultural Event (Karlsruhe)
- Monday, July 13, 2009: Start Summer School
- July 14— 17, 2009: Plenary Sessions, Workshops, Social Program, Excursion, Meetings, etc.

## Stuttgart

Stuttgart is a vibrant, fascinating city and the state capital of Baden–Württemberg with more than 2.5 million inhabitants. It is the economic, cultural, sporting and social hub of a region located in the heart of Europe.
