

Call for papers (JANGIS vol. 5, 2017)

Dear ANGIS participants,

Greetings to you! Currently, we are ready to consider your precious work to be published in the latest ANGIS e-Journal (JANGIS vol. 5). We welcome full papers within the fields of historical studies, development, and infrastructures establishment in Asia based on GIS approaches. All papers will be subject to a peer review. Please make sure to adhere the JANGIS template for preparing your manuscript. The guideline of manuscript can be downloaded from the following link: <http://www.l.u-tokyo.ac.jp/~angisj/JANGISStyleTemp.doc>.

Please prepare your manuscript in either Word or PDF format and then e-mail it to Dr. Chiao-Ling Kuo (kuo@chiaoling.com).
